D. Video Door/ Visitors call from Intercom

- I. **Tenant** can make Video call by clicking 'Video Door' to check who is at the entrance and open door for visitors.

II. **Visitors** can make a call from intercom by entering tenant's unit number.

The convention is XXXy, which XXX is the unit number, and y is the room number (A=1; B=2; C=3; D=4)

For those tenants sharing a room, the convention is XXXYZ where Z is either 1 or 2 depending on which bed you are.

For instance, if your bed is 408-A2, the number your visitor should dial is 40812. The firstkeeper app on 408-A2 tenant's phone will ring. Should you decide to let the person in, press the 'Open Door' button.
